FOR IMMEDIATE RELEASE

Random House's Rabbit Ears Collection
Now Available on Playaway
Award Winning Line of Children's Audiobooks
Now Available on Portable Format

Cleveland, OH --April 15, 2007 -- Findaway World, the creators of Playaway, today announced that titles from Random House's Rabbit Ears Collection are now available on the company's pre-loaded digital audiobooks.

The Rabbit Ears Collection, an award winning, critically acclaimed line of children's audiobooks is celebrated for artfully combining the talents of accomplished actors with those of prominent musicians to create audiobooks for young children. Recently acquired by Random House's Listening Library division, The Rabbit Ears Collection has featured narrations by popular celebrities including Jack Nicholson, Meryl Streep and Morgan Freeman.

"The Playaway format is extremely well suited for giving children access to Rabbit Ears stories in a simple, very portable and durable manner," said Tim Ditlow, Publisher of Listening Library, an imprint of Random House audio. "Having our titles on a self-playing device like the Playaway gives our listeners the ability to experience our classics wherever they are, whenever they want."

The Rabbit Ears Collection featured on Playaway features numerous titles including the following:

- * *How the Rhinoceros Got His Skin & How the Camel Got His Hump* read by Jack Nicholson with music by Bobby McFerrin
- * *Anansi* read by Denzel Washington with music by UB40

- more -

- * *Rabbit Ears: Stories by Beatrix Potter: The Tale of Peter Rabbit, The Tale of Mr. Jeremy Fisher, and The Tailor of Gloucester* read by Meryl Streep with original music by Lyle Mays
- * *Davy Crockett* read by Nicholas Cage with music by David Bromberg
- * *The Fisherman and His Wife* read by Jodie Foster with music by Van Dyke Parks

“Storytelling remains a very large part of children’s lives today and the Rabbit Ears Collection of well produced children’s classics is an exciting addition to our Playaway collection,” said Christopher Celeste, president and co-founder of Findaway World. “The Playaway format gives children of all ages the opportunity to listen to a good story in a simple and enjoyable format.”

Each Playaway is packaged with earphones, a lanyard and a standard AAA battery to allow for immediate listening. Additionally, Playaway has a universal headphone jack that works with almost any type of headphone or mobility accessory, letting listeners use it while out and about on foot, in the car or at home. These titles are now available online at www.playawaydigital.com and numerous public libraries across the country as well as other select national retailers.

About Playaway

Playaway is the simplest way to listen to digital content on the go. It comes with the audio content already pre-loaded on it and a battery to make it play. Simply plug in the earbuds and enjoy. Each Playaway weighs only two ounces and has a universal jack.
